### **SAN FRANCISCO FCU MAKES A DIFFERENCE IN THE NEIGHBORHOOD**

San Francisco, Calif. (July 30, 2009) – San Francisco Federal Credit Union is a proud supporter of the Richmond District Neighborhood Center (RDNC).

San Francisco Federal Credit Union contributed a donation of \$1,500 to the neighborhood center in support of the many programs they offer. The Richmond District Neighborhood Center works toward improving quality of life in the community by offering afterschool programs for youth, free classes in Yoga and Tai Chi, weekend art classes for families, a youth-led Food Pantry, and free English classes for immigrants. Since 1980, the Center has grown into a thriving, multi-purpose community center with programs serving all ages in the neighborhood.

San Francisco FCU has supported RDNC since the establishment of the Richmond Branch at 4375 Geary Boulevard. Since then, the Credit Union has participated in many activities held by RDNC, including the recent Multi-cultural Children's Art Fair and Family Fun Fest, as well as other fundraising and community events throughout the year.

Patricia Kaussen, Executive Director of RDNC, says, "I know that I can speak on behalf of the youth... that they are particularly thankful for the support of the San Francisco Federal Credit Union in keeping our programs running. We couldn't do it without you."

San Francisco Federal Credit Union will continue to make a difference through its *CommunityShare* program by striving to be good neighbors and active contributors to the San Francisco community.
